

Fragile Palm Leaves

MS No 7090

Room 2B

cūlavā pāli-tō
cūlādesanāṅkāra

[illegible]

300

[illegible]

[illegible]

88

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a record, with some lines showing signs of fading or wear. The script is dense and fills most of the page.

[illegible]

72

John Thompson

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some visible ink bleed-through from the reverse side. The script is dense and difficult to decipher without specialized knowledge of the language or dialect. The document appears to be a page from a larger work, possibly a ledger or a record book, given the structured nature of the entries. The ink is dark, and the paper shows signs of age and wear.

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or Dutch, given the use of characters like 'v' and 'w'. The script is dense and flowing, with many ligatures. The paper is aged and shows signs of wear, including a large dark stain on the right side and some smaller marks.

0334

[The text in this image is extremely faint and illegible due to poor scan quality.]

[The text in this block is extremely faint and illegible due to extreme blurring and low contrast. It appears to be a dense paragraph of handwritten script.]

[The text in this image is extremely faint and illegible due to low contrast and blurring. It appears to be handwritten script.]

1890

[The text in this block is extremely faint and illegible due to extreme fading or damage to the original document. It appears to be a continuous paragraph of handwritten text.]

②

1920

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some corrections and additions visible. The script is dense and difficult to decipher without specialized knowledge of the language.

[The following text is extremely faint and illegible due to low contrast and blurring.]

Yucca confertifolia

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some decorative flourishes at the beginning and end. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. The document is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern European handwriting. There are two large, dark circular marks or holes visible in the middle of the text, possibly from binding or damage. The text appears to be in a German or Dutch dialect, given the use of characters like 'v' and 'w'.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a record, with some lines showing signs of fading or wear. The script is dense and fills most of the page.

ΕΡΟΚΟΛΩΝ ΑΥΤΟΥ

[The text in this image is extremely faint and illegible due to poor scan quality.]

1891

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of terms like "procurator" and "procurator's office". The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a signature or a date. It is located in the upper right corner of the document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be in a historical language, possibly a form of Chinese or a related script, given the context of the image. The handwriting is fluid and continuous, with some variations in line thickness and spacing. There are a few small, dark spots or holes visible in the paper, particularly in the middle section. The overall appearance is that of an old, well-used document.

3

[The text in this block is extremely faint and illegible due to extreme blurring and low contrast. It appears to be a dense paragraph of handwritten or printed text.]

L. sinensis

Handwritten text in a script, likely Indic, covering the entire length of the strip. The text is densely packed and appears to be a continuous passage. The script is dark and the background is light, showing signs of age and wear.

(2)

prob. cont.

[The page contains dense handwritten text in Tamil script, which is mostly illegible due to fading and bleed-through from the reverse side.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "procurator" and "procuratoris".

உ. ஜார்ஜ்

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with visible fold lines and some staining. The script is dense and fills most of the page.

1000

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines appearing to be underlined or more prominent than others. The handwriting is characteristic of a historical cursive style, possibly from the 16th or 17th century. The text is written in a single column, with some lines starting with a large initial letter. The overall appearance is that of a well-preserved but aged piece of paper with a single page of text.

1864

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some corrections and additions visible. The script is dense and difficult to decipher without specialized knowledge of the language.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across the page. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including two prominent dark circular holes. The text appears to be in a historical language, possibly Persian or Arabic, given the style of the script and the use of some characters like 'O' and 'A' which are common in those languages. The overall tone of the document is formal and historical.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines appearing to be underlined or more prominent than others. The handwriting is characteristic of a historical cursive style, possibly from the 16th or 17th century. The text is written in a single column, with some lines starting with a small initial or mark. The overall appearance is that of a well-preserved but aged piece of paper with a single line of text.

2

[The image shows a page from an ancient manuscript with two columns of handwritten text in a cursive script. The ink is dark brown or black, and the parchment is aged and slightly discolored. There are several large, dark circular marks, possibly holes or damage, visible on the page. The handwriting is dense and fills most of the space between the margins.]

[illegible]

[illegible]

9/1

[Faint handwritten text in Devanagari script, likely bleed-through from the reverse side of the page.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or Dutch, based on the characters and structure. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including discoloration and some small holes or damage. The text is written in a single column and appears to be a continuous passage, possibly a letter or a section of a larger work. The handwriting is very cursive, with many loops and flourishes, and the ink is dark and somewhat faded in places. The overall appearance is that of a historical manuscript or a letter from the 16th or 17th century.

50

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines appearing to be part of a list or a series of entries. The handwriting is fluid and characteristic of a specific historical period, possibly the 17th or 18th century. There are some small, dark spots or ink blots scattered across the page, which may be due to the age of the document or the way it was stored. The overall appearance is that of a well-preserved but clearly old piece of paper.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some larger, possibly decorative or significant, characters interspersed. The overall appearance is that of a historical record or a personal letter from a past era.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are some dark spots and ink bleed-through visible on the page.

Handwritten manuscript page from the Voynich manuscript, featuring dense script in two columns. The left column begins with a large initial 'C' or similar character. The right column ends with a double-lined flourish.

70

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of terms like "procurator" and "procurator general". The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with many ligatures. There are some dark spots and stains on the paper, particularly in the center and towards the bottom left. The text appears to be a continuous passage, possibly a letter or a section of a manuscript.

Handwritten text in a cursive script, likely Persian or Urdu, covering the main body of the page. The text is arranged in approximately 10 horizontal lines, with some variations in line length and spacing. The script is dense and flowing, characteristic of historical manuscript writing.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page, with some lines appearing to be part of a list or a series of entries. The paper is slightly discolored and has some small holes or damage visible.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines appearing more prominent than others. The handwriting is characteristic of the 17th or 18th century. There are two distinct circular holes or indentations in the paper, one near the center and one towards the right side. The text is written in a single column, with some lines starting with a small decorative flourish or initial. The overall appearance is that of a well-preserved but aged historical document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two distinct circular holes visible in the center of the page, suggesting it was once part of a bound volume. The text appears to be in a European language, possibly Latin or Italian, given the use of certain characters and the overall style.

Handwritten text in a script, likely Indic, covering the entire length of the strip. The text is arranged in approximately 10 horizontal lines. The script is dense and cursive. There are two distinct circular holes punched through the strip, one located roughly one-third of the way from the left and another roughly two-thirds of the way from the left. The paper is aged and yellowed, with some visible wear and tear at the edges.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. The document appears to be a letter or a formal record, given the structured nature of the lines and the use of some capital letters. The paper shows signs of wear, including two distinct circular holes, possibly from binding or damage. The ink is dark, and the overall tone of the document is historical and formal.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across the page. The script is dense and flowing, characteristic of early modern handwriting. The paper is aged and shows signs of wear, including two prominent circular holes. The text is written in a dark ink, possibly iron gall or a similar historical ink. The overall appearance is that of a well-preserved but clearly old document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 10 lines. The script is dense and flowing, characteristic of early modern European cursive. The paper is aged and shows signs of wear, including a large dark stain at the top left and a circular hole near the center. The text is written in a dark ink, possibly iron gall.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of historical cursive. The document appears to be a record or a letter, with various words and phrases written in a consistent hand. The paper shows signs of wear, including creases and discoloration, and there are two distinct dark spots or holes visible in the center of the page.

உதயசூரியன்

[The text in this block is extremely faint and illegible due to extreme fading or damage to the original document.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

1594

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia, possibly Persian or Arabic. The script is dense and flowing, with many ligatures and variations in letter style. The paper is aged and shows signs of wear, including discoloration and some small holes or damage. The text is written in a single column and appears to be a continuous narrative or a list of items. The handwriting is very fluid, with many loops and flourishes. The ink is dark and the paper is a light brown color. The overall appearance is that of a well-preserved but aged manuscript.

~~Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is mostly illegible due to fading and damage. The script appears to be a form of early modern European cursive, possibly from the 16th or 17th century. The document is divided into several lines by horizontal ruling. There are two large, dark circular holes or indentations in the center of the page, which may have been part of the original binding or a result of damage. The text is written in a dark ink, and the overall appearance is that of an old, well-preserved but still fragile manuscript.~~

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across the page. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including creases and discoloration. The text appears to be in a European language, possibly German or Dutch, given the style of the script and the use of certain characters like 'v' and 'w'. The document is a single leaf, with the text filling most of the page. There are some small, dark spots or holes in the paper, possibly from insect damage or handling over time. The overall appearance is that of a well-preserved but clearly old piece of paper.

The overall appearance is that of a well-preserved but clearly old piece of paper.

c)

[Faint handwritten text, likely bleed-through from the reverse side of the page.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "procurator" and "procuratoris".

procurator

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 10 lines. The script is dense and characteristic of early modern European handwriting. The paper is aged and shows signs of wear, including discoloration and small dark spots.

Small handwritten note or signature in the right margin, possibly indicating ownership or a reference.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of terms like "procurator" and "curator" in some of the legible words. The handwriting is characteristic of the late 15th or early 16th century.

25

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a South Asian script, possibly Devanagari or a related form. The ink is dark, and the paper is aged and slightly discolored. The handwriting is fluid and continuous, with some variations in line height and spacing. There are some small, dark spots or ink blots scattered across the page, particularly in the middle section. The text is densely packed, filling most of the page area.

26

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper with a decorative border at the top. The script is dense and fills most of the page. There are several large, ornate initial letters (possibly 'O' or 'A') that serve as section markers. The paper shows signs of age, including discoloration and some wear along the edges.

22

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, with some lines starting with capital letters or initials. There are some dark spots and stains on the paper, particularly in the middle section. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration.

[The following text is extremely faint and illegible due to extreme fading or damage.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines appearing more prominent than others. The handwriting is characteristic of a historical cursive style, possibly from the 16th or 17th century. The text is written in a single column, with some lines starting with a large initial letter. The overall appearance is that of a well-preserved but aged historical document.

22

1952-53 = 12

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a list or a series of entries, possibly related to a legal or administrative record. The script is dense and difficult to decipher without specialized knowledge of the language and script.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on aged, yellowed paper and is mostly illegible due to fading and blurring. The script appears to be a historical form of a European language, possibly Italian or Spanish. The text is organized into several lines, with some words appearing to be in a different script or dialect, possibly indicating a mix of languages or a specific regional dialect. The overall appearance is that of an old, weathered document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be in a historical or religious context, possibly a letter or a record. The handwriting is fluid and characteristic of a specific historical period.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with some variations in line length. There are several dark spots or ink blotches scattered across the page, particularly in the middle and right sections. The paper appears aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of early modern handwriting. There are two large, dark circular marks (possibly holes or ink blots) visible in the middle section of the text. The right edge of the paper is slightly irregular and torn.

12. 10. 17

100

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including two large circular holes and some staining at the bottom right corner.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some words enclosed in parentheses. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. The document is aged and shows signs of wear, including discoloration and some ink bleed-through from the reverse side.

3

Handwritten text in Devanagari script, likely a manuscript or a page from a book. The text is dense and covers the entire page, with some visible ink bleed-through from the reverse side. The script is cursive and appears to be from a historical or religious context.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is written in dark ink on aged, slightly discolored paper. The script is dense and flowing, with many loops and flourishes characteristic of the style. There are two prominent dark circular marks, possibly holes or ink blots, located in the middle of the page. The text appears to be a continuous passage, possibly a letter or a section of a manuscript.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of 18th or 19th-century handwriting. There are some large, decorative initial letters, such as 'G' and 'S', which are prominent in the upper and middle sections of the page. The text appears to be a continuous narrative or a series of related entries, possibly a diary or a letter. The overall appearance is that of a well-preserved but aged piece of paper with some minor staining and wear.

[The image shows a page from an ancient manuscript with dense handwritten text in a cursive script, likely Indic or Persian. The text is arranged in approximately 10 horizontal lines across the page. There are two prominent dark circular marks, possibly holes or ink blots, located near the center of the page. The paper appears aged and slightly discolored.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are several large, dark ink blotches or stains, particularly on the left side and in the center, which may be remnants of seals or damage to the original document. The text appears to be in a historical language, possibly a form of Chinese or a related script, given the context of the image. The overall appearance is that of an old, well-preserved but slightly worn manuscript.

2

1900

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with some variations in line length. There are two prominent dark circular marks, possibly ink blots or holes, located in the middle of the page, one on the left and one on the right. The paper appears aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage of text, possibly a letter or a section of a larger work. The script is dense and flowing, with many ligatures and variations in line height. There are some small, dark spots or ink blots scattered throughout the text, particularly in the middle section.

Handwritten text in a cursive script, continuing from the previous section. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage of text, possibly a letter or a section of a larger work. The script is dense and flowing, with many ligatures and variations in line height. There are some small, dark spots or ink blots scattered throughout the text, particularly in the middle section.

9)

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and flowing, with many loops and flourishes. The paper is aged and shows signs of wear, including two prominent dark circular holes. The text is written in a dark ink, possibly iron gall or a similar historical ink.

Handwritten text at the end of the page, possibly a signature or a date.

9

2000

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some words appearing to be in a different script or dialect. The document is aged and shows signs of wear, including two dark circular marks (possibly holes or stains) and some fading of the ink.

42

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, with some lines starting with capital letters or specific symbols. The script is dense and fills most of the page.

Handwritten text in the right margin, possibly a date or a reference note.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a South Asian script, possibly Devanagari or a related form. The ink is dark, and the paper shows signs of age and wear, including some staining and a small dark spot near the center.

295

1967-1968]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. The document is aged and shows signs of wear, including discoloration and a small tear on the left edge.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a European language, possibly German or Dutch, given the use of characters like 'v' and 'w'. The script is dense and fills most of the page.

69

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and difficult to decipher without specialized knowledge of the language or dialect. The paper appears aged and slightly discolored.

10

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

10

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to land ownership or administrative matters, given the use of terms like 'land' and 'rights'. The script is dense and fills most of the page.

[illegible]

10

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

10

Handwritten text in a script, likely Indic, covering the entire length of the palm leaf. The text is arranged in approximately 12 horizontal lines. The script is finely etched into the surface of the leaf. The leaf itself is long and narrow, with a slightly irregular, aged appearance. The background is dark, making the light-colored leaf stand out.

10

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The paper is aged and shows signs of wear, including two prominent dark circular holes or stains near the center of the page.

Handwritten text at the top left of the manuscript strip.

Handwritten text at the top left of the manuscript strip.

Handwritten text at the top right of the manuscript strip.

Handwritten text in Devanagari script, likely a manuscript or ledger entry. The text is dense and spans multiple lines, covering most of the page area.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. There are several dark, irregular spots or stains visible on the right side of the page, possibly from water damage or ink splatters. The overall appearance is that of an old, well-used document.

10

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or North Africa. The script is dense and flowing, with many ligatures and variations in letter forms. The document is aged and shows signs of wear, including two prominent dark circular holes or stains in the center. The text is written on a light-colored, possibly parchment or paper, background.

11

1908

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of historical cursive. The document appears to be a record or a letter, with various words and phrases written in a consistent hand. The paper shows signs of wear, including small holes and discoloration.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and flowing, with many loops and flourishes. There are two distinct circular marks or holes visible in the center of the page, possibly from binding or damage. The text appears to be a continuous paragraph or a list of items, though the specific words are difficult to decipher due to the cursive style.

2)

[illegible]

Handwritten text in a script, likely Indic, covering the entire length of the strip. The text is densely packed and appears to be a continuous passage. The script is cursive and characteristic of historical South Asian manuscripts. The strip shows signs of age, including discoloration and some wear along the edges.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of some specific terms and the structured nature of the writing. The document is oriented horizontally and shows signs of age, including some staining and uneven lighting.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column across approximately 12 lines. The script is dense and characteristic of early modern European handwriting. There are several large, dark ink blotches or holes visible in the middle section of the text, which may be damage to the original document or intentional markings. The paper appears aged and slightly discolored.

Handwritten marginal note or signature, possibly indicating the author or a date.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is densely written and appears to be a continuous passage. There are two large, dark circular marks or holes visible on the page, one near the center and one near the right edge. The paper is aged and slightly discolored.

99

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "procurator" and "curator" in some of the legible fragments. The document is oriented horizontally and shows signs of being a single leaf from a bound volume.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "procurator" and "procuratoris".

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

100

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration along the edges.

101

Handwritten text in a script, likely Burmese, covering the entire page. The text is arranged in approximately 10 horizontal lines. The script is dense and cursive, with some characters appearing to be in a different script or dialect. The text is written on aged, slightly discolored paper. There are some small dark spots and a faint horizontal line near the top of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a record, with some lines showing signs of fading or wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page, with some lines appearing to be part of a list or a series of entries. The paper is aged and discolored, with some visible staining and a small dark spot near the center.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of parentheses and specific terminology. The handwriting is characteristic of the early modern period, with long, flowing letters and frequent use of abbreviations. The overall appearance is that of a well-preserved but aged historical document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a South Asian script, possibly Devanagari or a related form. The ink is dark, and the paper shows signs of age and wear, including some staining and a small hole near the center. The text is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page. There are two large, dark circular marks or holes visible in the center of the page, possibly from binding or damage. The text appears to be in a historical language, possibly a form of Urdu or Persian, given the style of the script and the use of certain characters. The overall appearance is that of an old, well-preserved manuscript page.

Handwritten text in a smaller script, possibly a signature or a date, located in the upper right corner of the page.

100

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of terms like "procurator" and "procurator's office". The script is dense and fills most of the page.

100

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting.

Small handwritten note or signature in the right margin, possibly indicating the author or a date.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of early modern European handwriting. The document appears to be a letter or a formal record, given the structured nature of the text and the presence of a large initial 'M' at the beginning of the first line. The text is written in a dark ink on a light-colored, aged paper.

9

[illegible]

Handwritten text in a script, likely Indic, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and cursive, with some characters appearing to be in a different script or dialect than others, possibly indicating a mix of languages or a specific regional dialect. The ink is dark, and the paper is aged and slightly discolored. There are some small dark spots and a larger irregular mark on the left side of the page, possibly from a binding or damage.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of historical cursive handwriting. The text is written in a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of historical cursive handwriting. The text is written in a single line across the page, with some ink bleed-through visible from the reverse side. The script is dense and flowing, characteristic of historical cursive handwriting.

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is a single leaf of parchment, showing signs of age and wear, with some staining and a slightly irregular edge. The text is written in a dark ink, and the overall appearance is that of a well-preserved but aged historical document.

5

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a South Asian script, possibly Devanagari or a related form. The ink is dark, and the paper shows signs of age and wear. The text is organized into several lines, with some lines starting with a small circular mark or dot. The script is highly stylized and difficult to decipher without specialized knowledge of the language and script.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of words like "procurator" and "procuratoris".

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two large, dark, irregular ink blotches or holes on the page, one located roughly in the middle-left and another in the middle-right, which appear to be damage to the original document. The script is dense and flowing, with many small loops and flourishes characteristic of the style.

Handwritten text in a cursive script, likely a manuscript or letter. The text is written on a single sheet of paper, showing signs of age and wear. The script is dense and fills most of the page. There are two large, dark circular marks, possibly holes or ink blots, visible on the left side of the page. The text is written in a single column, with some lines starting with a small decorative flourish or initial. The overall appearance is that of a historical document.

[illegible]

2

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a South Asian script, possibly Devanagari or a related form. The ink is dark, and the paper shows signs of age and wear, including some staining and a small dark mark near the center. The text is dense and fills most of the page.

200

Handwritten manuscript page from the Voynich manuscript, featuring dense script in two columns.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is written on aged, slightly discolored paper with some visible wear and tear at the edges.

5

[illegible]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of some words that resemble "court" or "case" in a historical context. The handwriting is characteristic of the 17th or 18th century, with long, flowing letters and frequent use of abbreviations. The overall appearance is that of a well-preserved but aged historical document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia, possibly Persian or Urdu. The script is dense and flowing, with many ligatures and diacritics. The paper is aged and shows signs of wear, including discoloration and small holes. The text is organized into several lines, with some lines starting with a small mark that could be a paragraph indicator or a decorative flourish. The overall appearance is that of a well-preserved but clearly old piece of paper.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be in a historical language, possibly a form of Chinese or a related script, given the characters and the style of the handwriting. The document is oriented horizontally and shows signs of age, including some staining and uneven lighting.

Handwritten text in a cursive script, likely Persian or Urdu, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with some variations in line length. There are two prominent dark circular marks, possibly holes or ink blots, located in the middle of the page. The paper appears aged and slightly discolored.

[Faint handwritten text, likely bleed-through from the reverse side of the page.]

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is organized into several lines. The script is dense and flowing, characteristic of historical cursive. There are some large, stylized characters that may represent specific words or initials. The text is written in a single column, filling most of the page. There are some small, dark spots or ink blots on the paper, particularly in the middle section. The overall appearance is that of an old, well-preserved manuscript.

○○○

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration.

Handwritten text in a cursive script, likely a manuscript. The text is arranged in several lines, with some lines starting with large, decorative initial letters. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with some variations in line length. There are two prominent dark circular marks, possibly holes or ink blots, located in the middle of the page, one on the left and one on the right. The paper appears aged and slightly discolored.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, characteristic of historical cursive. There are several large, dark ink blotches or stains visible on the page, particularly in the middle section, which may be due to age or damage to the original document. The text is written on a light-colored, possibly parchment or paper, background.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, characteristic of historical cursive handwriting. The paper is aged and shows signs of wear, including discoloration and some small dark spots. The text is written in a dark ink, possibly iron gall or a similar historical pigment. The overall appearance is that of a well-preserved but aged historical document.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and characteristic of historical documents. There are some dark spots and ink bleed-through visible on the page.

2

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous passage, possibly a letter or a record, with some lines starting with capital letters or initials. The script is dense and flowing, characteristic of historical cursive handwriting. There are some faint markings and possibly small holes or indentations in the paper, suggesting it might be a page from a bound volume. The overall appearance is that of a well-preserved but aged piece of historical writing.

50

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a list or a series of entries, possibly related to a calendar or a record of events. The script is dense and difficult to decipher without specialized knowledge of the language and script.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and characteristic of historical documents. There are some large, stylized initial letters or symbols that may indicate the start of a new section or a specific type of text (e.g., a letter or a chapter heading). The paper is aged and shows signs of wear, including discoloration and some small stains.

• **Stress** is a response to a stimulus that is perceived as a threat to well-being.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia. The script is dense and flowing, with many ligatures and variations in letter height. The document is aged, with visible wear and discoloration along the edges. The text is written on a single line of paper, with some ink bleed-through visible from the reverse side. The overall appearance is that of a well-preserved but clearly old manuscript.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. There are several large, dark ink blotches or stains on the page, particularly in the center and towards the right side, which may be remnants of wax seals or significant damage to the original document. The paper is aged and shows signs of wear, including discoloration and small holes.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, characteristic of historical cursive handwriting. There are several large, dark ink blotches or stains on the right side of the page, which may be remnants of the original text or damage to the parchment. The text is written in a dark ink on a light-colored, aged parchment background.

55)

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration.

55

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is written on aged, slightly discolored paper with some visible ink bleed-through from the reverse side.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and characteristic of historical documents. There are some large, dark ink blotches or stains visible on the page, particularly in the middle section.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is written on aged, slightly discolored paper with some visible wear and tear.

④

Handwritten text in a cursive script, likely a manuscript. The text is arranged in approximately 10 horizontal lines across the page. The script is dense and characteristic of historical cursive. There are several dark, circular ink blotches or holes visible, particularly in the middle section of the text. The paper appears aged and slightly discolored.

62

Handwritten text in a cursive script, likely Persian or Arabic, covering the entire page. The text is arranged in approximately 12 horizontal lines. There are two large, dark, irregular marks (possibly ink blots or damage) located in the middle of the page, one on the left and one on the right. The script is dense and flowing, with many small loops and flourishes. The paper is aged and yellowed.

57

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including discoloration and some staining. The text is written in a dark ink, possibly iron gall or a similar dark pigment. The overall appearance is that of a historical document or a page from an old book.

99

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, characteristic of historical cursive handwriting. The paper is aged and slightly discolored.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of terms like "procurator" and "procurator's office". The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a South Asian script, possibly Grantha or Tamil. The ink is dark, and the paper is aged and slightly discolored. The script is highly stylized and compact, with many characters that are difficult to decipher without specialized knowledge. The text is organized into several lines, with some lines starting with larger, more prominent characters that may serve as section markers or initial letters. The overall appearance is that of a well-preserved but ancient manuscript.

10

Handwritten text in a cursive script, likely Persian or Arabic, covering the entire page. The text is arranged in approximately 12 horizontal lines. The script is dense and flowing, with many ligatures and decorative flourishes. The paper is aged and yellowed, with some visible wear and tear along the edges. There are two small dark circular marks, possibly holes or ink blots, on the right side of the page.

(3)

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be in a language from the Middle East or South Asia, possibly Persian or Arabic. The script is dense and flowing, with many ligatures and variations in line height. There are several large, dark ink blotches or stains across the middle of the page, which may be intentional markings or damage to the original document. The paper is aged and discolored, with a yellowish-brown hue.

Q15

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, with many ligatures and flourishes. The ink is dark, and the paper is aged and slightly discolored. The text is written in a style characteristic of the 16th or 17th century. The first line begins with a large, ornate initial 'O'. The text continues for several lines, with some lines starting with smaller initials. The overall appearance is that of a well-preserved historical document.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It consists of approximately 10 lines of text, with some lines being more densely written than others. The script is highly stylized and difficult to decipher without specialized knowledge of the language and script. There are some faint markings and possibly small symbols interspersed within the text.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and flowing, with many ligatures and flourishes. The paper is aged and shows signs of wear, including discoloration and some small holes or damage. The text is written in a dark ink, possibly iron gall or a similar dark pigment. The overall appearance is that of a historical document or a page from an old book.

5

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some lines showing signs of fading or wear. The text appears to be a continuous narrative or record, possibly related to a legal or administrative matter, given the use of parentheses and specific terminology. The handwriting is characteristic of a historical cursive style, possibly from the 16th or 17th century. There are some dark, irregular marks on the left side of the page, which could be remnants of a binding or damage to the original document. The overall appearance is that of a well-preserved but aged historical manuscript.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. The script is dense and fills most of the page, with some visible ink bleed-through from the reverse side. The text is organized into several lines, with some lines starting with a small, dark, circular mark or initial. The overall appearance is that of a well-preserved but aged piece of historical writing.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and characteristic of historical documents. There are several large, dark ink marks or symbols interspersed within the text, possibly serving as section dividers or decorative elements. The paper shows signs of age, including discoloration and some wear along the edges.

Handwritten text in a cursive script, likely a manuscript. The text is written in a single column and appears to be a continuous passage. The script is dense and characteristic of historical cursive handwriting. There are some ink blots and variations in line thickness, suggesting it was written by hand. The text is written on a light-colored, possibly parchment or paper, surface.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a single column and appears to be a continuous narrative or record. The script is dense and characteristic of early modern European handwriting. The document is aged, with visible wear and discoloration along the edges.

Handwritten text in a cursive script, likely a manuscript. The text is written on a single line across the page, with some decorative flourishes and a large, ornate initial 'S' at the beginning. The script is dense and appears to be in a historical or religious context.
